IN
NOW WITH

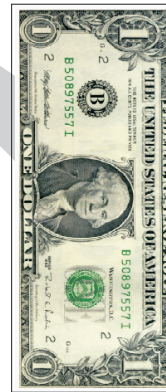

You like to fold this model from duo-colored paper? Then cut it into dollar bill size of about 1 : 2.4

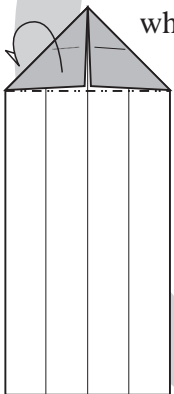

2. Fold and unfold.

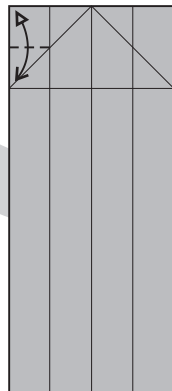

3. Fold corners down. Do mountain folds when using a dollar bill.

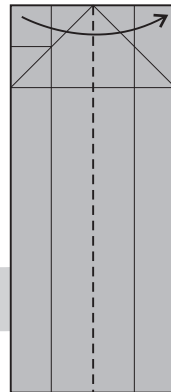

1. Orientate like this.

4. Fold triangle back, then unfold to step 3.

5. Fold and unfold.

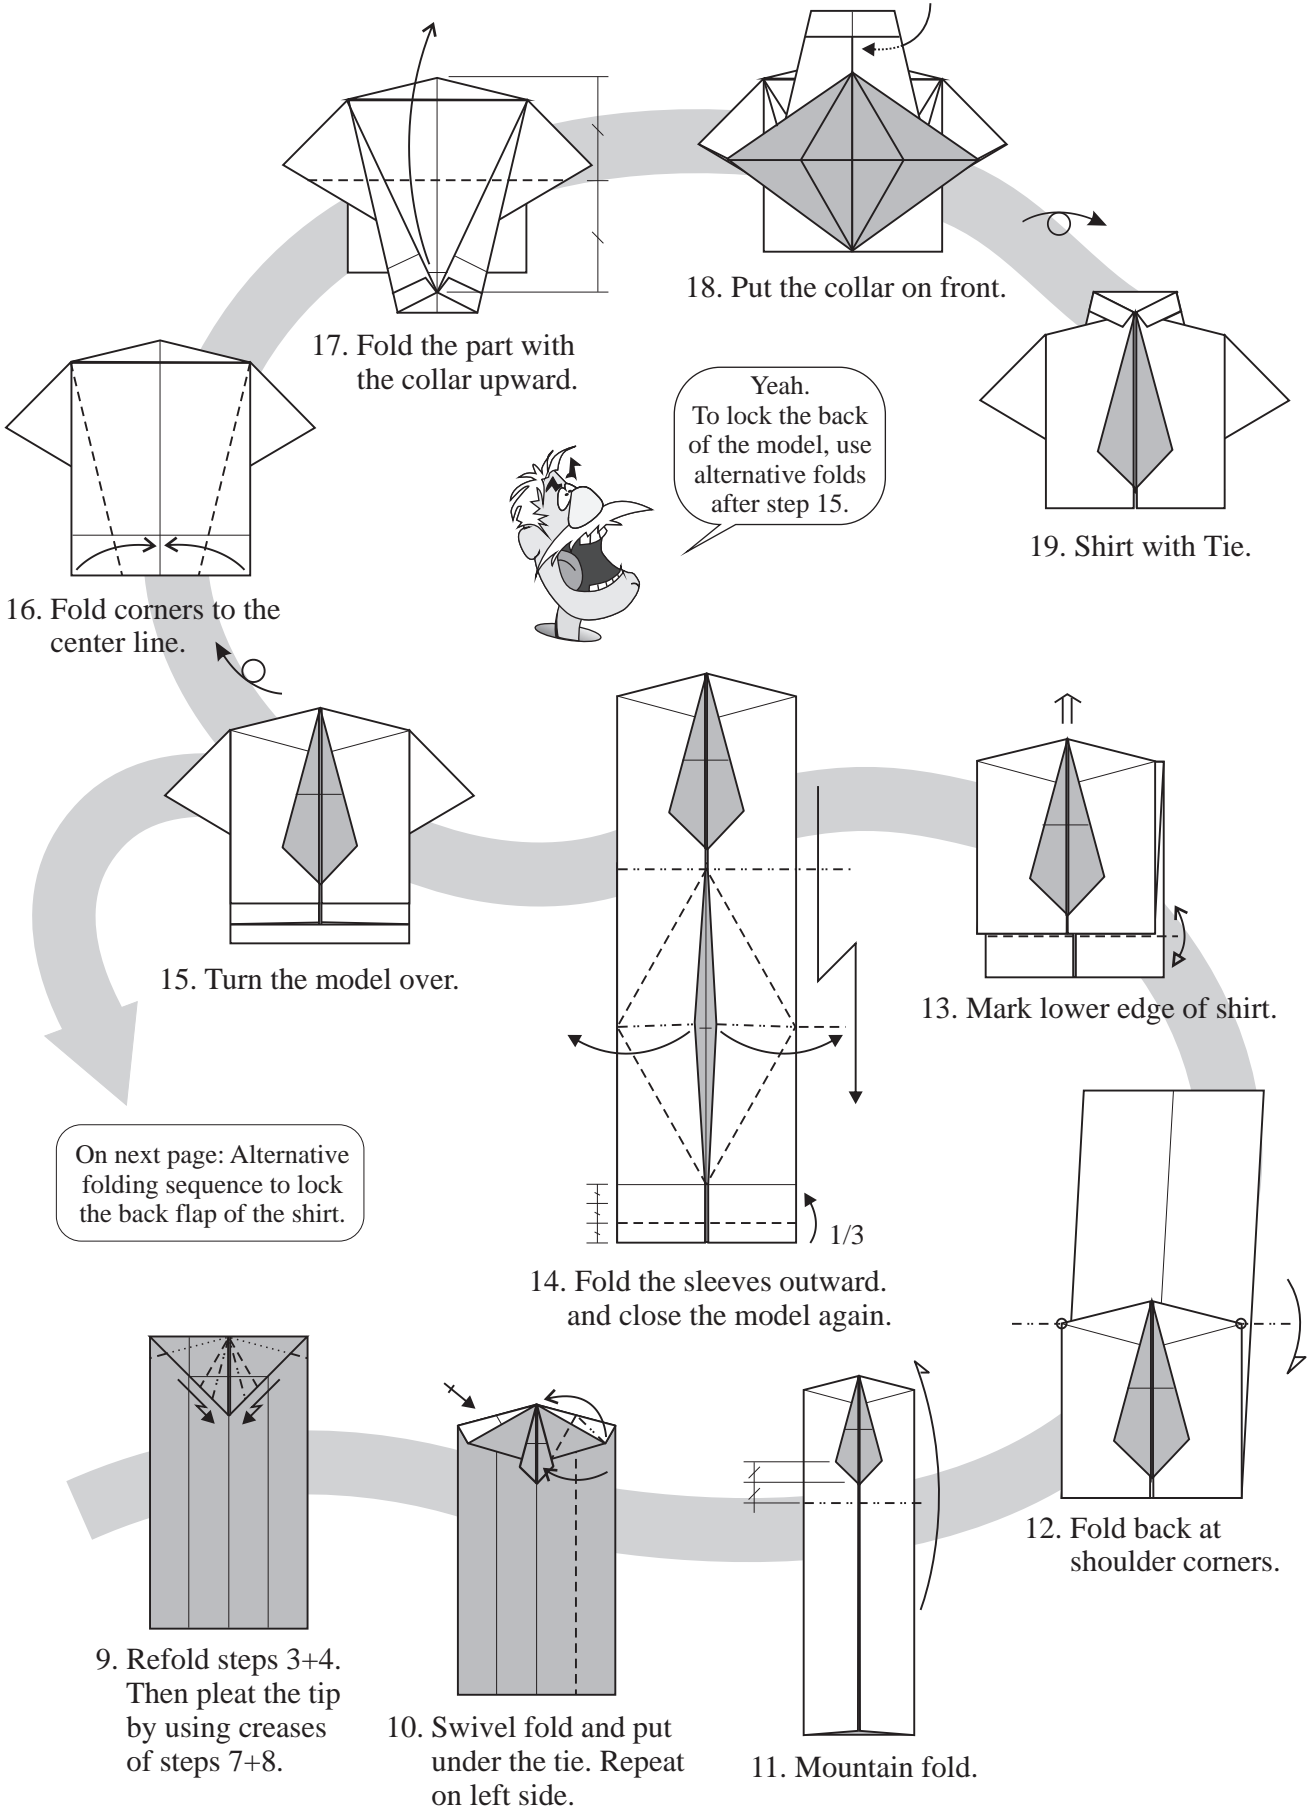

6. Fold in half.

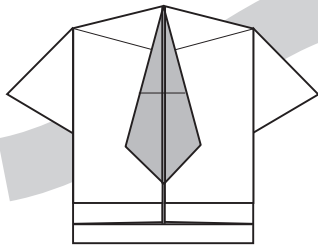

7. Fold in both directions.

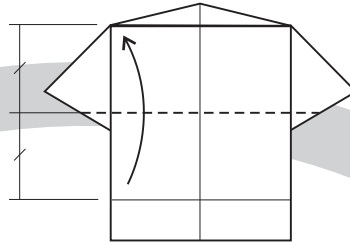

8. Fold in both direction.

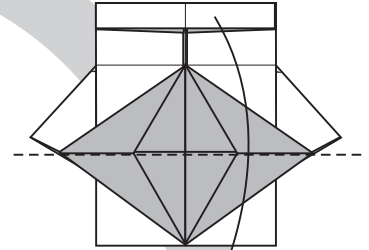

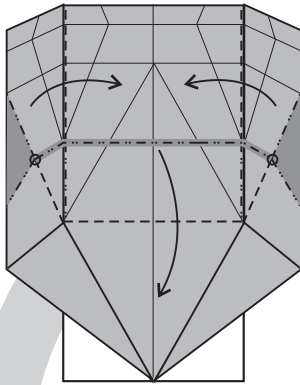

15b. Turn the model over.

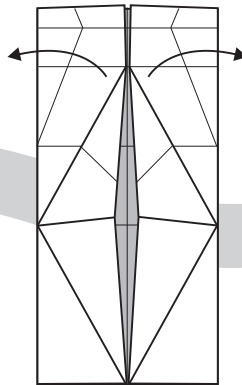

16b. Fold the lower part upward.

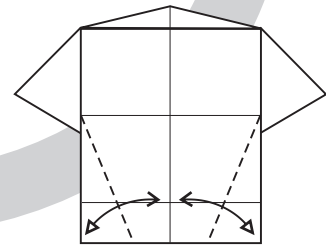

17b. Unfold.

20b. Push mountain fold between marks in front. Collaps the model along existing creases by folding shaded triangles back.

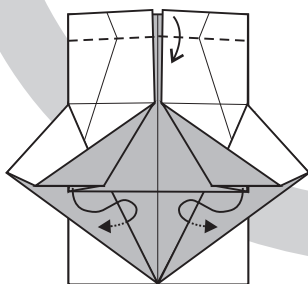

19b. Open the upper part of the model.

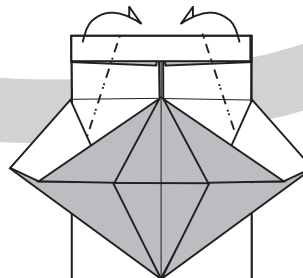

18b. Fold sleeves then unfold upper part to step 14.

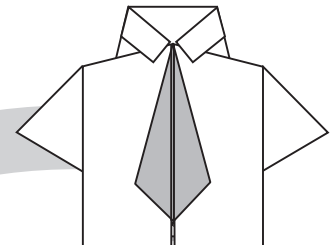

Well done!!!

21b. Put the corners underneath and refold the collar.

22b. Do again folds of step 18b. Put the collar on front.

23b. Shirt with Tie.
